

Feedback på 1. modul af MSc in Coaching and Development – Postgraduate Certificate.

Nordens eneste universitetsuddannelse i coaching

Af Else Gammelgaard Madsen, Teamleder, Tetra Pak Hoyer A/S

Hold II, Postgraduate Certificate 2007-08

Mine forventninger inden modulet var, at deltage på en uddannelse, som vil bringe mig til det højeste niveau indenfor coaching og at lære af nogle af de bedste lærere indenfor området.

Allerede efter første modul føler jeg mig sikker på at mine forventninger bliver indfriet. Holdet var sammensat af både uddannede coaches og deltagere som aldrig før havde prøvet at coache. Der var en utrolig god stemning på holdet og jeg føler at alle følte sig trygge og værdsatte.

Underviseren Charles Brook, formåede at få skabt en god forståelse for coaching og jeg var meget imponeret over, hvor langt han nåede omkring på de 2 dage og hvor godt han formåede at få alle med.

Det faglige niveau var helt i top og der er ingen tvivl om, at Charles Brook mestrer coaching på et niveau som gør ham til en rigtig spændende og inspirerende underviser, med en god indsigt i de egenskaber og teknikker som skaber en rigtig god coach.

Jeg føler efter første modul, at jeg er blevet en endnu bedre coach og glæder mig meget til næste modul og resten af uddannelsen.

Profil af Charles Brook

CHARLES BROOK

Charles is a leading business coach and founding director of The Performance Coach, a company dedicated to improving the performance of individuals, teams and organisations

Charles has co-developed the MSc in Coaching and Development with Portsmouth University Business School. Charles has been a member of faculty since its launch in 2002 and is today Programme Director for the MSc in Coaching and Development. He also leads both open programmes and bespoke client programmes at the School of Coaching in London. For over 15 years he has been involved in helping individuals make changes in their performance in the business arena. He has also co-developed The Virtual Coach™, a widely used, interactive CD-ROM that binds and reinforces coaching skills.

He has worked extensively across the NHS, supporting Chief Executives and Senior Managers to develop their leadership style in order to deliver their performance goals. Charles has experience working with Chief Executives, Board Members and Senior Executives from private sector organisations, including Price Waterhouse Coopers, NBBC, Asda, Johnson & Johnson, WHSmith, London Stock Exchange and Lloyds.
